

THE CONSOLIDATED TRADING COMPANY

A UNIT OF CONSOLIDATED GROUP OF COMPANIES

Distributors : SYNGENTA INDIA LTD.,

TO WHOMSOEVER IT MAY CONCERN

We have used the Plant derived extract viz. FC-100 against Phytophthora in Turmeric crop and IC-100 on cotton crop boll worms at 6/123, Kallipalayalam Village, Perianaickanpalayam, Coimbatore.

Both the product made an immediate difference with our crop plan and continue to provide an excellent control of Phytophthora and bollworms

Thanking You
